Unsubscribe Guest After Send Email Yes

Enable this option if you want to notify registered customers about product stock availability change only once. After the notification is sent they'll be automatically unsubscribed.

Set this option to 'No' if you want to let guest visitors subscribe to stock availability notifications.

You can enable one time notification option for guest visitors as well.

4. Subscriptions to particular product

The screenshot shows the Magento 2 admin interface. On the left is a sidebar with navigation icons for Dashboard, Sales, Products, Customers, Marketing, Content, Reports, Stores, and System. The main content area is titled 'Compete Track Tote' and includes a 'Back' button, a 'Save' button, and a 'PRODUCT ONLINE' toggle switch. The 'BASIC SETTINGS' section is active, showing 'Product Alerts'. A message states 'We saved the price alert subscription.' Below this, a table lists 1 record found. The table has columns: First Name, Last Name, Email, Price, Date Subscribed, Last Notification, and Send Count. The data row shows Peter Parker with email peter.parker@example.com, subscribed on Oct 19, 2015, with 0 send counts.
